Subject: Redwood City Salt Works Jurisdictional Determination

Dear LTC Morrow:

As we discussed in our phone conversation, I am confirming that today Ken Kopocis, Deputy Assistant Administrator for EPA's Office of Water, approved Region 9's request to place the jurisdictional determination for the 1,478-acre Redwood City Salt Plant on the Special Case list. Pursuant to the 1989 Memorandum of Agreement^[1], EPA will be making the determination of the geographic scope of the Clean Water Act ("CWA") jurisdiction for this site. We look forward to receiving your office's files.

Sincerely,

Jane Diamond
Director, Water Division
